

PLAYING THE GAME

There are two separate rounds to this game.

1. FIND THE CONNECTION

The quizmaster shows one card at a time.

Each card adds an extra word.

There are a maximum of 4 words per question.

Players can shout out their suggestions for how the words are connected at any point.

As soon as the correct connection is found, points are awarded:

Card with 1 word: 4 points

Card with 2 words: 3 points

Card with 3 words: 2 points

Card with 4 words: 1 point

2. FIND THE LAST IN THE SEQUENCE

The quizmaster shows one card at a time.

Each card adds an extra word to a sequence.

There are a maximum of 3 words shown – the idea is to identify the 4th word in the sequence.

Players can shout out their suggestions for the final word at any point.

As soon as the correct word is found, points are awarded:

Card with 1 word: 3 points

Card with 2 words: 2 points

Card with 3 words: 1 point

An optional bonus point can be awarded for also identifying what connects the words in the sequence.
